### **Allowable Subject Matter**

In the Final Office Action, the Examiner indicated that claims 12, 13, 17, and 19 to 33, the only claims currently pending, were allowed. It is therefore submitted that the instant application is in condition for allowance and Applicants respectfully request early action in this regard.

Applicants submit that amendment and/or cancellation of claims during prosecution of the instant application is not to be construed as acquiescence to any of the objections/rejections set forth in the instant Office Action or any previous Office Action, and were done solely to expedite prosecution of the application. Applicants submit that claims were not added, amended, or cancelled during prosecution for reasons related to patentability. Applicants reserve the right to pursue the claims as originally filed, or similar claims, in subsequent patent applications.

Please charge any fee that may be required, including any further petition fees, for which no cheque is enclosed, to Deposit Account No. 17-0110.

Should the Examiner wish to discuss this Amendment, a telephone call to the undersigned agent at 613-533-2342 would be welcomed.
